

HEADWATERS | SC

We have updated our logo as part of our expanded marketing initiatives

Headwaters|SC is pleased to introduce its updated logo, and simplified domain name. There has been no change in our formal business name, ownership, professional staff, services, or our affiliation with Headwaters|MB (www.headwatersmb.com) and our other affiliates in Business Growth Alliance (www.businessgrowthalliance.net). This logo re-freshening is driven by our desire to simplify connecting with clients through mobile devices, and for both prospective clients and regulators to more clearly distinguish between the advisory, consulting and implementation services we provide vs. the investment banking services of our affiliate, Headwaters|MB.

All communication under our former domain (www.headwaterssc.com) will be forwarded to our new domain (www.hwsc.com).
